About Me

Hi there! I'm Jayesh, a tech lead of SPIE Student Chapter, where I coordinate and develop projects related to web developments. I'm also a skilled front-end developer, creating beautiful and responsive web applications. In my spare time, I love playing the guitar and exploring different genres of music. My goal is to become a successful engineer who can make a positive impact on the world.

Professional Experience

SPIE STUDENT CHAPTER VIT CHENNAI | TECHNICAL LEAD
2024 – Present

Key responsibilities:
I am currently working as a Technical Lead at SPIE Student Chapter VIT Chennai, where I am responsible for leading and managing technical projects. I utilize my skills in front-end web development to develop innovative solutions and oversee the implementation process. Additionally, I provide guidance and support to team members, ensuring the successful completion of projects.

TECH RESEARCHERS CLUB VIT CHENNAI | MEMBER
OCT 2023 - PRESENT

Key responsibilities:
I am currently working as a Member of Tech Researchers Club VIT Chennai, where I am responsible for working with the media and design team. I am responsible for working with the team and developing responsive websites for different club events. Moreover create poster for multiple club events.

PROJECTS

- Created SPIE Student Chapter responsive website SPIE VITC
- Created a responsive website for a event hosted by Tech Researchers Club along with one other teammate
